

REMARKS

The Examiner has set forth an Election of Species Requirement as follows:

ELECTION

In order to comply with the Examiner's Election of Species Requirement, Applicants provisionally elect Species 1, first embodiment, Figures 1-6, readable on claims 1-12, for prosecution in the present application. Applicants reserve the right to file a Divisional application directed to the non-elected claims at a later date, if so desired.

This requirement for election of species is respectfully traversed for the reasons set forth below.

As set forth in 37 C.F.R. § 1.146, a reasonable number of species are permitted in a single application. The present application contains a reasonable number of species. Further, examination of all of the species together in one application would not place an undue burden on the Examiner. It is respectfully submitted that the Examiner's Election of Species Requirement is improper in view of the fact that a reasonable number of species are set forth in the present application.

Accordingly, in view of the above remarks, reconsideration of the requirement for election of species, and an action on all of the claims in the application, are respectfully requested.

Favorable action on the present application is earnestly solicited.

CONCLUSION

If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (703) 205-8000, in the Washington, D.C. area.
